

	Lester Herbert	Lynn Morrison	Nora Robinson	Spencer Wat
Do you like the character?	I like them	They are so cute.	The character can be easily identify.	Yeep
How aout the U.I	Perfect.	I do not like the dark background at the menu page	The menu professor Macoy looks so weird	Why professor Macoy do not have face in the menu?
Do you like the fight logic?	I want some more feeling of hit	The animation for the skills are cute.	Zee was too OP, you need to nerve her.	Some normal attack could make this better
Your feeling of the whole game	This is a good game	The animation and design of character are so cute	Nerve zee!	It is good
Will you buy it, if we publish it in Steam?	No.	If it is under 5, maybe.	Depends on the cost.	If it is free, I will add it to my count.

Armand Lucia	Shuo Li	Yuankai Chen	Brian Fan
As personal design, they were good	Yep, especially Buttuner	Not too bad, they looks funny	It is not esay to design, you guys are did a good job
I like the self-design game background.	These background looks so real.	I like the K.O. image.	The button in the final do not need the black background
The little girl is too weak.	The jump is so weird	The squat is useless	I like this kind of fighting .
More balance.	Excellent	Not too bad.	I like it.
Maybe	Yep.	No.	Probably not.
